About the Author, Jeffrey Dreisbach

Jeffrey Dreisbach has been crafting his unique tree art for many years. Part whimsy, part sculpture, yet practical, his designs have thrilled the art and craft community at galleries, shows, and exhibitions. His work has been featured on Home and Garden Television, The Chronicle, and several Newspapers and Magazines. Acting credits include Broadway, Film and Television appearances including several commercials and voice overs. He continues to teach acting techniques throughout the country and create furnishings from his modest workshop in Worthington, Massachusetts
